Other colours are a surprise! Also, I am not American, so I call "periods" full stops and I spell words the right way. I've tried to avoid discussing things Americans and other people disagree on in this guide (and specifically mention it when it does come up), but one or two little things may have crept in, for which I apologise (with an "s") in advance.

Writing Guide - Fimfiction

Graduate Program at the Harvard Department of Mathematics. Preparing the Application. The statement of purpose for graduate applications is carefully weighted by the admissions committee. The applicant's statement should convince the committee that he or she is able to communicate effectively and with a deep understanding of mathematics.
