Occupational Health & Safety: keeping the workplace safe ...

occupational health and safety since the 1974 Act itself. I salute Alan's memory, and I promise not to pull my punches in this lecture, any more than he would have done. I have called it, with Roger Ibbing's permission "Health & Safety, Past, Present and Future". This is of course a title which gives me latitude to say practically

HEALTH AND SAFETY - PAST, PRESENT AND FUTURE

Despite legislation regarding occupational health and safety, every year a number of employees are killed or injured at their place of work. Late last month, a 26-year-old Libyan plunged to his death after falling seven storeys at a construction site in Sliema. In the past, there were no such laws, and very often workers were [...]
