This chapter provides guidelines for the environment, housing, and management of laboratory animals used or produced for research, testing, and teaching. These guidelines are applicable across species and are relatively general; additional information should be sought about how to apply them to meet the specific needs of any species, strain, or use (see Appendix A for references).

James Curran has written or edited over 20 books about the media, some in collaboration with others. He began as an historian, and his first book (with Jean Seaton) is Power Without Responsibility. Among other things, it challenges the standard view of press history as an unfolding story of progress in which the press became free and served the people.

Professor James Curran | Goldsmiths, University of London

This course explores one of a wide range of topics pertaining to the African American experience in the fields of human and civil rights, social and literary texts, and the social sciences.
