Anybody know where I can find it? I'm starting to collect rare and hard to find DS games. I tried searching google, but most of the lists are either 2+ years old, or are argued on (person 1 thinks XXX game is rare while person 2 says its not). Is there an actual definitive list of rare DS games? Thank you.

I've noticed two people have been asking about "rare" 3DS games and such, and have linked to my previous post 2 months ago. It's a bit outdated, and I don't think it is "proper", so I would like to update the information here. Disclaimer: Please note rarity is a touchy subject, as it differs from one area to the next. Also, while some games are ...
