The Tools section allows you to Report an Outage or view our Map Guide for helpful tips or questions. You'll also see a Map Views section that lets you view the map by outage location, city, county or zip code. You can use the "Turn on Layers" feature which shows colored zones (if available) that relay deeper information.

PimaMaps is Pima County's next generation of web mapping system that will eventually replace the current MapGuide system. It is based on different technology than MapGuide and therefore has a much different look and feel. This new technology allows us to expand the functionality of PimaMaps beyond what we were capable of doing with MapGuide.
