Starting new conversations in the workplace! I recently sat with a college counselor who wanted "the 411" on Managing with Aloha from my perspective as the book's author. She's new in her role with a local college which has used my book in their MBA program for several years now, and she called me for an interview when she began to read it.

The Führermuseum (English, Leader's Museum), also referred to as the Linz art gallery, was an unrealized art museum within a cultural complex planned by Adolf Hitler for his hometown, the Austrian city of Linz, near his birthplace of Braunau. Its purpose was to display a selection of the art bought, confiscated or stolen by the Nazis from throughout Europe during World War II.
