Math Journal Sundays - A Brand New Year ... When I pulled out the notebooks and told the class we were going to do math journals again this year, my grade 6 students actually cheered. They told the grade 5 students how cool they were, and how much they were going to enjoy them. LOVE.

### **Runde's Room: Math Journal Sundays - A Brand New Year**

In fact, some teachers don't grade math journals at all, using them only as a record of students' progress and thinking. If students know you are regularly reading their math journals and you care about what they wrote, you won't have to assign a grade to get them to give their full effort.
