World literature is sometimes used to refer to the sum total of the world's national literatures, but usually it refers to the circulation of works into the wider world beyond their country of origin. Often used in the past primarily for masterpieces of Western European literature, world literature today is increasingly seen in global context. Readers today have access to an unprecedented range ...

There are plenty of examples out there of artists who end up hating some of their most successful songs. However, Bruce Springsteen took it one step further—he hated his entire Born to Run album. This is the same album that sold over six million copies in the US alone; the same album that was named “magnificent” by Rolling Stone and later named the 18th greatest album of all time.

Abstract: The novels of Anita Nair contain an 'Indianess' which is essentially an important criterion for Indian writing in English because it is creative as well as resourceful. It is interesting to note that the novel Ladies Coupe is worked up from the combinations of different women's experiences. The most significant element was the conversations between these women.
