@Vicki\_Ledar @Julie\_A\_C. Vicki, I like Julie's procedures where the ATO ICA is setup as a Credit Card and used through Spend Money and Receive Money. For my clients at 30 June, the GST Collected, GST Paid and PAYG - W ledgers are cleared out and posted to a BAS April - June account (balances will remain if cash basis for GST is used).

Journal entries use debits and credits to record the changes of the accounting equation in the general journal. Traditional journal entry format dictates that debited accounts are listed before credited accounts. Each journal entry is also accompanied by the transaction date, title, and description of the event.

General Ledger using MYOB. I basically took the defaults and chose plant center as the kind of company I wanted to create books for. I created Southworth Nursery. When the Command Center

came up, I selected General Journal Entry to start. Note that at any time F1 for HELP will bring up information on the current screen.

**General Ledger using MYOB - Bristol Community College**

When you record your accounting journal transactions during a month, for example, they are recorded in real time. If you are using an accrual accounting system, that means that the money did not necessarily change hands at that time. The purpose of adjusting entries is to show when the money changed hands and to convert your real-time entries to entries that reflect your accrual accounting system.
