You can port your cell phone number, wireline number or fax number. Prepaid account numbers can be ported, but must be active at the time you wish to transfer the service. You cannot port a number to an existing account – porting only works when you are opening a new account with a carrier. Even if you change states or carriers, you can port your number with you.

Rated 5 out of 5 by bradleygt89 from Great inexpensive phone Upgraded from my several year old Moto G4, and love that there is a new inexpensive Motorola phone available again via Cricket. Good camera, 16GB storage is better than the 8GB I used to have, and love the Google Smartcast and WiFi calling features.
