If you're talking about deleting a digital PS1, digital PS2, or digital PS3 game then save data will also not be deleted. * Whether the game is physical or digital, your save data will be unharmed. 8 If you really don't believe me, you can put a USB inside the PS3 and do a manual backup of all your saves just to ease your mind.

Do game saves get deleted if I delete the game? : PS3

Best Answer: I very much doubt that it's permanently damaged. It sounds like your brother accidentally changed the picture quality to one that is not supported at all by the television. If he tried to set up the console using a 720 p picture, then I am assuming he used a high definition chord (HDMI), right ...
