Nbeo Part One Study Guide

Applied Basic Science. Exam Administration. The Part I examination, entitled "Applied Basic Science" (ABS ®), tests the underlying basic science concepts necessary to enter the clinical practice of optometry. Most ABS ® items reference a clinical condition, either explicitly or implicitly. There are 350 scored items and 20 non-scored pre-test items on the ABS ® examination.

Applied Basic Science - NBEO® - Optometry

I took my NBEO part one on March 20th and 21st, a 14 hour test that spanned 2 days, each day held two, 3.5 hour sessions. I started studying for the test in December, but only about one day per week for a few hours. By the time February came around I would study 3 of 7 [...]

17 Tips to Master the NBEO Part One - OptometryStudents.com

A downloadable/Printable PDF version of this schedule is available here. *The March 2019 Part I ABS ® exam will be administered on four days, allowing candidates to choose the date that is most convenient. Candidates will test on a single day, not four separate days. **The December 2019 Part II PAM ® exam will be administered on two days, allowing candidates to choose the date that is most ...
