In this study, we experimentally investigate how managers' budget reporting behavior is influenced by two important features of the budgeting system: the measurement basis used in budget preparation (i.e., whether managers make budget reports in financial or nonfinancial measures) and managers' slack benefits in budget execution (i.e., whether managers benefit from budgetary slack directly or ...

The effects of measurement basis and slack benefits on ...

Fixed and variable expenses are the two main components of a company's total overhead expense. Fixed costs are those that do not fluctuate with changes in production activity level or sales volume, such as rent, insurance, dues and subscriptions, equipment leases, payments on loans, depreciation, management salaries, and advertising.

Conference Theme Overview We all live our lives forward, facing uncertain futures, yet social scientists feel most comfortable explaining the social world through causes rooted in the past or through the constraints and resources lodged in the present. Such explanations omit an important step: both historic and structural forces are refracted through the set of [...]
