Noughts & Crosses is a series by English author Malorie Blackman of young adult novels, including two novellas, set in a fictional dystopia. The series describes an alternative history in which African people had gained a technological and organisational advantage over the European people, rather than the other way around, with Africans having made Europeans their slaves.

2. List two ways that a Cross is referred to in this scene. Why can Crosses be thought of as both descriptions at once? 3. Have you ever been in a situation where you were asked or felt like you had to represent your "people or "country"? Briefly describe and indicate how you felt. 4. Who/what has power in this scene? How do you know? 1.3 1.

Name: Noughts & Crosses Date: Act One, Scenes 1-4

Noughts and Crosses is a strange tale that really encapsulates the readers emotions and makes the reader feel similiar to the characters. It uses a first person view point that alternates between the two main characters Sephy and Callum. The book deals with issues that are reflected in modern day society but which in a way are also very far fetched.
