Matt T wrote: Yep that was the plan, its far too tempting to dive in and play when the software is available, if they'd put the documentation up a couple of weeks earlier we'd be able to prepare! Alastair, good video from Tony, I was lucky enough to attend one of his best practise courses at Oracle TVP - was an excellent week.

The Importance of BI Documentation 17 March 2016 on Technical, Business Insights, Oracle, OBIEE 12c, chitchat, documentation, obiee 11g. Why Is BI Documentation Important? Business intelligence systems come with a lot of extra information. Even beautifully constructed analyses have piles of background information and histories.

### **The Importance of BI Documentation - Rittman Mead**

One thing that I'm really pleased about in OBIEE 11g the ability to use time series analysis functions in Answers. In 10g this was reserved for the repository tool, which meant that the number and type of ago functions needed to be well defined by the business which isn't generally the case given there are practically limitless combinations.
