A man is sentenced to death and is then beheaded in front of many people including children. The executor, however, doesn't manage to cut his head off the first time and frantically tries to get his head off with overall four strikes, but even then, he still has to kick off the head with his boot.

**Parents Guide - IMDb**

This reply was created from a merged topic originally titled The new Parents Guide is terrible. For some reason, IMDb has decided to completely change the layout on the Parents Guide that literally no one complained about. Adding each item individually is a pain. Sending an email every time I edit a Parents Guide is going to clutter my inbox.
