A portable edition of the famous Red Book text and essay.. The Red Book, published to wide acclaim in 2009, contains the nucleus of C. G. Jung's later works. It was here that he developed his principal theories of the archetypes, the collective unconscious, and the process of individuation that would transform psychotherapy from treatment of the sick into a means for the higher development of ...

Courtly Love. If you study the history of human sexuality and marriage through ancient and primitive cultures, you will find that communal sex and polygamy predominate. Communal sex tends to predominate in matriarchal societies—that is, societies in which power tends to pass through women, and property is more or less communal—where women mate with whomever they want, without any particular ...
