For pre-licensure nursing students: Nursing foundational core students are guided by the NAU undergraduate catalog and the NAU student handbook. When students enter the nursing clinical core, they are also expected to comply with the SON program policies and guidelines as stated in the NAU SON student handbook.

Nursing Handbook - National American University

The evidence reviewed in this chapter suggests that formal recordkeeping practices (documentation into the medical record) are failing to fulfill their primary purpose, of supporting information flow that ensures the continuity, quality and safety of care. Moreover, disproportionate attention to secondary purposes (e.g., accreditation and legal standards) has produced a medical record that is ...
