Placement tests powered by adaptive learning are the fastest way to earn progress and complete a course on Study.com.

Placement Tests and Adaptive Learning | Study.com

The word "curriculum" began as a Latin word which means "a race" or "the course of a race" (which in turn derives from the verb currere meaning "to run/to proceed"). The first known use in an educational context is in the Professio Regia, a work by University of Paris professor Petrus Ramus published posthumously in 1576. The term subsequently appears in University of Leiden records in 1582.

Curriculum - Wikipedia

Many a times we hear students scrambling for answers to questions like how to prepare for IIT from class 11? Online or offline. This in itself is symbolic to the growing IIT fad amongst the younger generation in India.
