A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...

Flipped classroom - Wikipedia

The Chairman is a whole time officer appointed on contract service by the Government on terms and conditions agreed to between the person selected and the Government.

Mizoram Board of School Education
