A blog (a truncation of the expression "weblog") is a discussion or informational website published on the World Wide Web consisting of discrete, often informal diary-style text entries (posts). Posts are typically displayed in reverse chronological order, so that the most recent post appears first, at the top of the web page. Until 2009, blogs were usually the work of a single individual ...

It was a lonely quiet night. I hadn't slept for 20 hours. My coffee was depleted and my energy even more so. Despite this, I had just spent the last 3 hours of my life searching for an audio editor that would do what I needed.. I had over twenty different pieces of software that had audio editing capabilities.
