### **Mandell, Douglas, and Bennett's Principles and Practice of ...**

I have owned every edition of Mandell et al's Principles and Practice of Infectious Disease since the first edition which was published in 1979. The first edition was a marvel in its clarity and presentation, unique among medical texts in its ability to convey accurate, up-to-date scientific, technical, and medical information on infections. This newest 8th edition is also superb and has ...
