Nursing Documentation Long Term Care

The long term care industry (a.k.a. nursing home industry) employs a large share of new and experienced nurses in the United States. Furthermore, the number of nurses who secure employment in this specialty is projected to increase in the next ten years as the oldest members of today's upper middle-aged Baby Boomer cohort reach their 70s.

LTC Charting: A Beginner's Guide - Geriatric / LTC - allnurses

Documentation in long-term care has become increasingly complex as the resident's clinical needs and decision making have become more complex, regulations and surveys more stringent, documentation based payment systems implemented, and litigations/legal challenges have increased. 1 Remember, if it isn't documented, it isn't done! Federal regulations dictate the types of documentation.
