The OECD's work on Effective Learning Environments (ELE) aims to improve how learning environments can most efficiently support the pedagogies, curriculum, assessment and organisational forms necessary to develop students' capacities for the 21st century.

Effective Learning Environments (ELE) - OECD

The threat of attack from insiders, or an insider causing harm without malicious intent, is real and substantial. To prevent harm to their assets, historically, organizations focused on external-facing security mechanisms, such as firewalls, intrusion detection systems, and electronic building access systems.

Workplace bullying is repeated and unreasonable behaviour directed towards a worker or group of workers that creates a risk to health and safety.. It is a risk to health and safety because it may affect the mental and physical health of workers. Taking steps to prevent it from occurring and responding quickly if it does is the best way to deal with workplace bullying.
