'Healthy' fast food chains not living up to their claims

In general, the administration of the GPCOG is very simple. However, there are some basic things to bear in mind: If you are administering the GPCOG for the first time it might be a good idea to familiarise yourself with both the paper-and-pencil and the web-based GPCOG prior to first administration to allow for a smooth flow of the test.

GPCOG | Frequently Asked Questions

Creating, Recording and Communicating Engagement and Impact All researchers want to make the world a better place in some way. Yet defining their work in terms of engagement and impact, be it at the individual level or aggregated for a Field of Research, is exercising brains and systems at all levels.

Abstracts - ARMS 2019 Conference

Literature search. Starting from our previous guidelines in colon [] and rectal [] surgery published in 2013 the first and last author identified topics for inclusion. International authors known for their expertise in each item, respectively, and in overall perioperative care were invited to participate in the work.
