A Documentation Sample. Documentation is such an essential part of nursing. To many it seems a waste of time. They'd rather spend their time with the patients, but in the interest of continuity, we have to be able to communicate information about the patient and the care we have given. ...

The Nursing Site Blog: A Documentation Sample

Nursing documentation is an integral part of clinical documentation and is a fundamental nursing responsibility. Good documentation ensures continuity of care, furnishes legal evidence of the process of care and supports evaluation of patient care. Nurses must balance clinical documentation with respect to legal imperatives.

Guide to Good Practice - Nursing Documentation

Providing excellent patient care is the most important aspect of nursing. Moreover, taking credit for the care given is also an important responsibility. Most nurses hate the paperwork more than any other aspect of their job, but it's critical that it be done, and be done well. As with every aspect of quality patient care, charting should be exceptional; it should never be taken lightly.
