The Sims 4 Babies and Pregnancy Guide

Although the main question expectant parents ask is, 'Will my baby be healthy?' it's also fun to ask other questions - such as, 'What eye color will my baby have?'

What Eye Color Will My Baby Have? Math For Pregnancy ...

Kendra found herself in a situation she never expected, facing an unplanned pregnant at 18-years-old. "I found out for sure in a McDonald's bathroom stall. Alone, I read the box in my car, then threw it away before I walked in, hiding the pregnancy test in my pocket. When the test results came back, my brain was so dizzy that I couldn't remember which lines meant yes, and which lines meant no.

Adoption. Adoption can be a great middle-of-the-road option for many young couples. This allows you to continue your normal life after 9 months, to have the medical care and other expenses paid for, to avoid the option of abortion if you disagree with the choice, and to give the gift of life to a couple who may not be able to have a baby on their own.

I am a bit of a perfectionist. It's one of those things that, as Monk would say, is a blessing and a curse. I am dependable, organized, and don't just do an ok job, I do my best job. I like that I can be counted on with whatever needs to be done, whether it's in my own life, my family's life or for someone else.
