Military cadence. The cadence calls move to the beat and rhythm of the normal speed (quick time) march or running-in-formation (double time) march. This serves the purpose of keeping soldiers "dressed", moving in step as a unit and in formation, while maintaining the correct beat or cadence.

Military cadence - Wikipedia

Unsourced material may be challenged and removed. (April 2018) Cadence (also known as Stockade) is a 1990 film directed by (and starring) Martin Sheen, in which Charlie Sheen plays an inmate in a United States Army military prison in West Germany during the 1960s.

Cadence (film) - Wikipedia

Likewise, the fact that all of his prison mates are black doesn't help his situation either. Now rather than reveal any more I will just say that this was an interesting film for the most part in that it highlighted some of the social issues surrounding race relations within the U.S. military during this particular era.

Cadence (1990) - IMDb

One recognizable cadence and all of a sudden we would be grounded in a specific key. Instead Wagner avoids cadences to leave us wandering. This is extremely useful technique especially for film composers. Being aware of when to use or not use a cadence puts you in far greater control of the dramatic direction of your music.
