Neopets Petpage Application Guide

As said in the explanation for neomail applications, some fosters prefer judging applicants through how well they take care of their current pets instead of judging only on how 'good' their application was. This guide was written mainly for petpage applications, but a good neomail application guide can be found on perle_de_crystaux's petpage.

Neopets Petpage Application Guide | Neopets Guides

With neomail applications, you usually send 1-5 neomails to the owner, containing information about you and why you want the pet (remember to include anything they specifically ask for, as well). Petpage application: Petpage applications are done on petpages (go figure). They should have a nice layout (even if it's simple) and a font that's ...

Neopets Pet Application Guide – GetNeopoints

A foster is not allowed to require petpage applications, as per Neopets rules, so an applicant who decides to make a petpage application shouldn't have to give it a custom layout either. Forcing the user to do something they're not comfortable doing is unfair.

Welcome to the UC Application Guide, a place where you will learn all what is needed to make a successful application on the PC (Pound Chat). I will share with you all the tricks and tips I have learned in all my years of applying and of being chosen to adopt unconverted pets (3 times by petpage APPs and once by neomail APP) and of adopting UCs out myself.

UC Neopet Application Guide | Neopets Guides

Petpage applications are unfair because graphics and coding skills do not necessarily equal a good pet parent. Graphics and coding skills should not give a person an advantage over another one when it comes to caring for a pet. Think about what would happen in real life if you had two people applying to adopt a puppy.

Petpage Applications - Neopets Debate - The Daily Neopets ...

Petpage Application If you're a creative person who enjoys making artwork, writing stories, etc., then I would look into making a Petpage Application. A petpage application is an application where you put your content onto your pet's page. These types of applications allow you the most freedom where you design everything.
