OpenEMR API. It is developed by Master Mobile Products to allow the iPad based application, MED Master Mobility, access to OpenEMR and perform all basic operations in a perfect way. Do check the iPad application on app store to have an idea about API's usage in more detail.

OpenEMR / Discussion / Developers:OpenEMR API
Is there some documentation showing the structure and relationship of the openemr db, preferable of the most recent OpenEMR (5.0.x) ? However if there is no such a thing, maybe there are some information to start with, it would be hard for me to start from scratch creating this, as I don't have much insight into OpenEMR yet.
