What is the future of the Autodesk Infrastructure Map Server product? What are the implications for AutoCAD Map 3D? Now that AIMS is no longer available, what will happen to the MapGuide Open Source project? Can I publish drawings from AutoCAD Map 3D 2018 to Autodesk Infrastructure Map Server 2017?

Infrastructure Map Server - Autodesk
Okay.. from what i have learnt elsewhere...The SDF data cannot be edited directly using the Java Web API, instead Mapguide uses FDO which is an abstraction layer for accessing spatial data using a common api. FDO on MapGuide Open Source Hope this helps anyone with a similar question to my original question.
